Northwind Labs Annual Logistics Report 2026

Parcels shipped: 4.6 million (+18%).

Average cost per parcel fell from $2.71 to $2.48.

Carbon per parcel down 9% after the EV van pilot.

Carrier performance

Atlas Freight delivered 97.1% on time.

Bluebird Post delivered 93.4% on time.

Late-delivery refunds totalled $184,000.

Warehouses

Reno handled 41% of volume; Columbus 36%; Atlanta 23%.

Pick accuracy rose to 99.6% after scanner upgrades.

Outlook

2027 target: 5.3 million parcels at $2.40 each.

Open question: second West Coast site.

MEMO: Carrier contract renewal

To: Operations leadership

Date: October 2, 2026

We recommend renewing with Atlas Freight for 24 months. Their bid of $2.35 per parcel is 11% below the next offer. Penalty clauses cap late deliveries at 3% of volume.

Decision needed by October 20, 2026.

Signed, M. Okafor, Head of Logistics
